- 11.3 The City reserves the right to oversee the function being held and, if in its sole and absolute discretion, the conduct of the Renter or any person admitted by the Renter is not proper and is not in good taste, the City shall have the right to request the Renter to discontinue its function and vacate the premises or to request any person or persons to vacate the premises and the said request shall be promptly carried out.

12. ALCOHOL RISK MANAGEMENT POLICY

PURPOSE

The Municipal Alcohol Policy consists of a range of measures designed to prevent alcohol related problems and to increase the enjoyment of those who use City facilities. By reducing the potential for alcohol related problems, the City of Stratford reduces the risk of injury and death, reduces the level of liability it may be exposed to while increasing the general user's enjoyment of the facilities.

AREAS DESIGNATED WHERE ALCOHOL USE IS PROHIBITED

The *Liquor Licence Act* of Ontario prohibits the consumption of alcohol in public places unless a liquor licence or permit has been obtained.

AREAS DESIGNATED FOR CONDITIONAL USE OF ALCOHOL

The following facilities and areas are currently designated for alcohol use under the authority of a liquor licence or permit.

1. City Hall Auditorium, **excluding** the Balcony and Stage Area

CONDITIONS FOR LIQUOR LICENCE OR PERMIT

A Renter who wishes to serve alcohol at a designated site must obtain a liquor licence or permit from the Alcohol and Gaming Commission of Ontario (formerly Liquor Licence Board of Ontario). The Renter must ensure that all the conditions of the *Liquor Licence Act* and this policy are adhered to at the event. The Renter must be aware of the conditions under which alcohol may be served and must notify the City of such an event at least 21 days prior to the event. The City reserves the right to deny approval to sell and/or serve alcoholic beverages on its premises.

The Renter must ensure that the servers of alcoholic beverages have taken a server training program (i.e. Server Intervention Program or Smart Serve). Proof of server qualifications must be provided to the City two (2) weeks prior to the event. Failure to provide proof of certification shall result in the immediate cancellation of the City's permission to serve alcoholic beverages and the Renter shall immediately remove all alcoholic beverages from the building.

All such Renters are required to adhere to the following conditions:

12.1 **Control**

- 12.1.1 The Renter agrees that only liquor, beer or wine authorized by a valid permit may be brought into the building. The Renter acknowledges that there is no beer/wine handling or storage equipment in the building.
- 12.1.2 The Renter agrees that no persons under the age of 19 years shall be admitted to an event held under the authority of a liquor licence unless the Renter has specified in its application that it intends to admit persons under the age of 19 years. The Renter will accept only an Age of Majority card, a valid photo driver's licence, or a valid passport as identification for alcohol purchase or consumption.
- 12.1.2 Rowdy or intoxicated individuals will be refused entrance to City Hall.
- 12.1.3 Non-alcoholic beverages must be made available and shall be served in different containers than alcoholic beverages and beer.
- 12.1.4 The City may request monitors (i.e. off-duty police officers and/or auxiliary officers) to be hired, at the expense of the Renter, for functions of 200 participants or more. Monitors will supervise the event, encourage legal and moderate drinking behaviour, ensure that the physical setting is safe for the participants and ensure that any problems that arise are dealt with appropriately.
- 12.1.5 The monitors, bartenders and servers must refrain from consuming alcohol during the event while they are serving, and must not be intoxicated before or during the event.
- 12.1.6 The Renter and facility management, where applicable, will be responsible for determining when assistance is needed and requesting it from appropriate authorities.

12.2 **Sale of Alcohol**

- 12.2.1 When tickets are sold for alcoholic beverages, there will be a limit of four (4) per person that shall be imposed at the beginning of the last hour.
- 12.2.2 Ticket prices must be posted and adhered to for the duration of the function.

12.2.3 The Renter may refund any unused tickets at any time during the event.

12.3 **Non-Alcoholic and Food Options**

12.3.1 Non-alcoholic beverages must be available and shall be served in different containers than alcoholic beverages and beer.

12.3.2 A sign will be posted identifying the non-alcoholic beverages available at the event.

12.3.3 The Renter must provide food for the participants.

12.4 **Accountability**

12.4.1 The Renter shall post the liquor licence or permit. [DO NOT tape the licence/permit to any painted surfaces/walls. Check first with the City Hall Custodian]. A copy of the liquor licence or permit must be provided to the City upon request.

12.4.2 Prior to the event, the Renter must obtain a certificate of liability insurance in the amount of two million dollars per occurrence.

12.5 **Safe Transportation**

12.5.1 The Renter shall be responsible for promoting safe transportation options for all participants consuming alcohol. Examples of safe transportation options are:

- a) designated drivers provided by the sponsoring group and/or selected from non-alcohol consuming participants at the event;
- b) access to telephone for taxis.

12.6 **Other**

12.6.1 The municipality or its agents reserves the right to introduce other conditions from time to time at its discretion.

The risk of liability is especially high when an impaired driver leaves an alcohol related event. Event organizers assume responsibility of providing safe transportation for all drinking participants. Safe transportation options are essential since the only way to sober up an impaired person is with time.

ENFORCEMENT PROCEDURES FOR POLICY VIOLATION

12.7 **Areas Where Alcohol is Permitted**

12.7.1 A violation of this policy occurs when the Renter fails to comply with the conditions of the *Liquor Licence Act of Ontario* or this Alcohol Policy. Participants, the municipality and city staff, local authorities and an Inspector of the Alcohol and Gaming Commission of Ontario may intervene if there is a policy violation.

12.7.2 The Renter or designate, or the designated monitor, may intervene by informing the offending individual(s) of the policy violation and ask that it stop. Renters or designates, and monitors should feel encouraged to intervene in this way because intervention at other levels could result in a loss of privileges and could lead to legal charges.

12.7.3 The municipality and city staff will take steps to ensure the policy violation stops. Depending upon the severity of the policy infraction, the Renter may be asked by the municipality to stop the violation or they may be closed down. Should the Renter fail to comply, the police may be called for enforcement.

12.7.4 Where the Renter has violated this alcohol policy, and has been notified of the violation, they may receive a registered letter advising of the violation, and indicating that no further violations will be tolerated. Some violations are serious enough to warrant immediate shutdown or denial of access. This decision may be made by the Liquor Licence Inspector, police or at a Council representative's discretion. Depending upon the severity of the infraction, charges may be laid under the *Liquor Licence Act* of Ontario or any other relevant legislation.

In order not to penalize other responsible organizations and individuals from using facilities, violators of this policy should be isolated and prevented from using our facilities in order to continue to reduce liability and risk exposure of this Corporation. The A.G.C.O. has the authority to refuse to issue Special Occasion Permits for a particular premise if there has been evidence that the laws have been violated during the event.

IN WITNESS WHEREOF the parties hereto have set their hands.

As the Renter or the authorized representative of the Renter, I have read, understand and will observe these Terms and Conditions under which this Rental Application is being made and I hereby accept full responsibility for the obligations stated herein, including all fees and charges.

EMERGENCY PROCEDURES

In case of fire or other emergency:

- sound the fire alarm
- leave the building immediately via the nearest exit
- use exit stairways to leave the building – DO NOT USE THE ELEVATOR
- if you encounter smoke or fire in a stairway, re-enter a floor area and use an alternate exit
- close every door you pass
- call 911 to report the fire or other emergency (never assume this has been done). The operator will dispatch the Stratford Fire Department and other emergency services. The address of Stratford City Hall is 1 Wellington Street, Stratford
- remain calm
- DO NOT re-enter the building once you have left the building until it is declared safe to do so by a Fire Official at the scene.
- if you encounter smoke in the stairway, re-enter a floor area and use an alternate exit.
- If doors are encountered on the way to any exit, feel door knob for heat before opening. If you feel air pressure or hot draft, close door quickly and proceed to an alternate exit.

FIRE EXTINGUISHMENT – CONTROL OR CONFINEMENT

This is primarily the responsibility of the Stratford Fire Department. The production of toxic fumes in building makes fire fighting potentially dangerous, particularly if a large amount of smoke is being generated.

If unfamiliar with the operation of a fire extinguisher do not attempt to use one. Fire extinguishers are for use by trained personnel only.

Only after ensuring that the alarm has been raised and the Stratford Fire Department has been notified, a small fire can be extinguished by experienced person(s) familiar with extinguisher operation. If it cannot be easily extinguished, leave the area and confine the fire by closing the door.

Fire extinguishers are not designed to be used on large or spreading fires. Even on small fires, they are effective only under the following conditions:

- The extinguisher must be rated for the type of fire being extinguished.
- The extinguisher must be large enough for the fire at hand.
- The extinguisher must be in good working order, fully charged and within easy reach.
- The operator must be trained in the proper use of the extinguisher.

Only fight a fire if:

- The fire is small and not spreading.
- Occupants have been alerted.
- Everyone has left or is leaving the building.
- The Stratford Fire Department has been contacted.
- You have a clear escape route that is not blocked by fire.
- You know how to operate your extinguisher and are aware of its capabilities.
