

Application for a Business Holiday Opening Exemption

Please read the entire application and instructions

1. Your retail business may already be able to open on Victoria Day, Canada Day, Labour Day and Thanksgiving Day in Stratford under the exemptions in By-law 84-90 and By-law 149-92. Please refer to these By-laws to determine if the exemption applies to your retail business. If it does not, you will need to apply for an individual retail business exemption from the City of Stratford.
2. A completed application form must be returned to the City Clerk's Office along with the \$200.00 application fee (non-refundable).
3. The application will be listed on the next available Economic Development and Tourism Sub-committee Agenda for direction to give notice of the required public meeting.
4. The Public Meeting is to be held at least 30 days after the notice is published in the newspaper. At the Public Meeting, Council will hear the application and comments from the public regarding granting a possible exemption to allow the store to open on holidays.

Before considering an exemption, the *Retail Business Holidays Act* requires Council to take the following into account:

- a) the principle that holidays should be maintained as common pause days;
 - b) that the tourism criteria set out in the Regulations to the *Retail Business Holidays Act* are complied with;
 - c) that Council is not required to grant the exemption even if the tourism criteria is met.
5. Council will not make a decision at the Public Meeting. The application and comments made at the Public Meeting will be considered at the Economic Development and Tourism Committee meeting at which time a recommendation could be made. That recommendation then is forwarded to the next Regular Council meeting for Council to make a decision and the by-law exemption. If the by-law is adopted by Council, it may be appealed to the Ontario Municipal Board within 30 days from the date of the Public Meeting.
 6. When the appeal period expires and there have been no appeals, the by-law exemption will then be in effect.
 7. If appeals have been lodged with the Ontario Municipal Board, a hearing will be set by the Board.
